

Faculty Application

Get involved with TPMA's educational programs by becoming a speaker.

The TPMA CME committee is seeking to diversify the faculty by increasing the number of instructors available with expertise and experience to ensure we continue to deliver quality educational programming and meet the high standards and expectations of our attendees.

If you interested in sharing your expertise at a TPMA Conference, please complete the Faculty Application and Disclosure and submit it with your CV to TPMA via email at melinda@txpma.org.

1. _____
2. _____
3. _____
4. _____
5. _____

List other areas of podiatric medicine and/or surgical expertise so that your application can be considered as TPMA expands its current educational offerings.

Institution

- University hospital/Teaching institution _____
- Non-university hospital _____
- Private practice _____
- Military/VA _____

Faculty Disclosure Form

It is the policy of the Texas Podiatric Medical Association (TPMA), an approved sponsor by the Council of Podiatric Medical Education (CPME) to insure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. All faculty participating in any TPMA sponsored activities are expected to disclose to the audience any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the continuing education activity. This pertains to relationships with pharmaceutical companies, biomedical device manufactures, or other corporations whose products or services are related to the subject matter of the presentation topic. The intent of this policy is not to prevent a speaker with a potential conflict of interest from making a presentation. It is merely intended that any potential conflict should be identified openly so that the listeners may form their own judgments about the presentation with the full disclosure of the facts. It remains for the audience to determine whether the speaker's outside interests may reflect a possible bias in either the exposition or the conclusion presented.

Will you be discussing off-label uses of any drugs or products? _____

(If yes, please indicate) _____

You are responsible for informing the audience when discussing off-label uses of drugs or products.

- I have no actual or potential conflict of interest in relation to this program.
