TPMA Online CECH Live Webinar – June 24, 2020
1 CECH

Agenda
Wednesday, June 24, 2020
(central time)
12pm-12:45pm Podiatric Dermatology Essentials
12:45pm-1:00 pm Question and Answer

Podiatric Dermatology Essentials

Learning Objective: Cutaneous biopsy techniques are straightforward procedures that may be used in the clinical daily practice of podiatric medicine. Various skin pathologies, such as inflammatory disorders, wounds, and nail issues will be reviewed along with biopsy techniques that can be utilized for them.

Speaker: Tracey Vlahovic, DPM, FFPM, FCPS
Associate Professor, Department of Podiatric Medicine, J. Stanley and Pearl Landau Faculty Fellow, Adjunct Professor, Department of Microbiology, Temple University School of Medicine, Philadelphia, PA

Location and Registration:
The session is a live online event accessible through Zoom. Be sure to save your Zoom confirmation email with your unique join URL and access instructions for the day of the event.

CECH Information:
This webinar provides attendees with 1 CECH. Attendance will be verified by your log-in/log-out time during the webinar. Following the webinar, attendees must complete an online evaluation form to be eligible to receive their CECH certificate. A link to the evaluation will be sent via email after the webinar. Certificates will be available to attendees on the TPMA website within 2–3 weeks of completing the webinar evaluation form.

Questions? Contact TPMA at staff@txpma.org.

TPMA is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. TPMA has approved this activity for a maximum of 1 continuing education contact hours. The 2020 TPMA Live Webinars are intended for licensed podiatric physicians to develop and improve the podiatric knowledge and competency to better serve the citizens of Texas and the surrounding states. Speakers are required to disclose significant financial relationships and provide disclosure and written agreements to TPMA with any and all commercial products discussed during the presentation per CPME 720 guidelines.

Note: You must attend the entire live event to earn your CECH.

TPMA has designated an unrestricted grant from BAKO Diagnostics to support this program.
