

## **Podiatrist Opportunity, El Paso, TX – My Aim Health, LLC**

### **Company Overview:**

The Advantage Integrated Medical (My AIM Health) Network is a multi-disciplinary healthcare practice focused on expanding outpatient services for cutting edge non-surgical and minimally invasive treatments. We are rapidly expanding our Arizona and Texas markets with a focus on Endovascular Interventional Radiology and Podiatry Services. In the last 4 years we have grown to over 100 employees and built a robust development team to accommodate and manage our fast expansion effort.

Cutting edge treatments from our Interventional Radiology Physicians include Atherectomy and Embolization. Atherectomies function to revascularize lower extremities and prevent amputations of feet or toes for patients that suffer from peripheral artery disease. Embolization Interventions patients avoid major surgeries such as Total Knee Replacement, Shoulder Replacement, Prostatectomy (men), Hysterectomy (women), Hemorrhoidectomy, Plantar Fasciitis Surgery, and more.

AIM also provides the best Foot & Ankle Care from our Podiatry Team by using the latest medical procedures to treat a range of podiatry medical conditions and issues. This allows our patients faster recovery time and great comfort. AIM uses state of the art equipment and procedures to provide the best in patient outcomes and care.

We are rapidly expanding in Arizona and Texas and we are currently looking for passionate individuals to join our growing team. As a member of the AIM Network family, you will help us reinvent healthcare delivery and join other mission-driven professionals dedicated to ensuring all individuals receive the care they deserve. You will be part of a culture that fosters personal and professional growth and encourages open communication and the sharing of ideas and knowledge to help us achieve our goals.

### **Physical Requirements:**

- Prolonged periods of sitting at a desk and working on a computer
- Prolonged periods of standing and moving
- Must be able to lift up to 50 pounds at a time with or without assistance

### **Overview:**

At Juan A. Gonzales Foot Specialists, a partner of My AIM Health, we believe that a multi-disciplinary integrated program with podiatry and vascular care is the future for our specialty. Our Texas location is well-established and creates a successful foundation for the podiatrist selected to join our group. This position involves full-service podiatry services including routine care, regenerative and sports medicine, diabetic limb salvage and surgery. We will also provide appropriate training for MSK US diagnostic and minimally invasive workups for those interested in furthering their sports-medicine skillset.

## **Podiatrist Opportunity, El Paso, TX – My Aim Health, LLC**

Physicians must be willing to take minimal ER calls on a rotating basis and may be asked to cover other locations within the area. Our group does not perform work within long-term care facilities and does not make house calls. Physicians enjoy a standard M-F work schedule. Benefit package includes medical, dental, vision, vacation days, and seven paid holidays.

### **Job Duties/Responsibilities:**

- Assess patient's foot, ankle, and lower leg conditions. Identify diseases and injuries and formulate a comprehensive treatment plan.
- Provide consultations for podiatric patients in inpatient and outpatient settings.
- Follow up with patients in the office after consultations.
- Provides treatment for complex foot, ankle, and lower leg conditions.
- Complete orders, prescriptions, and treatment notes in a timely manner.
- Educate the patient and family members throughout the entire course of treatment.
- Obtain informed consents prior to performing any surgical procedures.
- Perform surgeries as needed.
